Custom Orthopaedic & Sports Bracing

#26 – 1708 Bowen Rd.

Nanaimo, BC, V9S 1G9

P: 250-753-0315 or TF: (BC) 1-855-753-0315

OrthotiCare Clinics Inc. is the clinical practice of
Tim Miller, Certified Orthotist

Trust an experienced, professional, Canadian Board Certified Orthotist to provide you with high quality custom orthotic treatment and patient care.

When your physician or health care professional refers you to Tim Miller, Certified Orthotist, you can be sure that your orthotic care is being provided by a practitioner who stays current with the latest technology, attends professional development courses, and meets all Canadian certification requirements.

Tim Miller has attained the profession's highest standard of accreditation: CBCPO Certification. He has over 24 years of experience in the field of Orthotics. He has functioned as both a national certification examiner and an examination auditor for CBCPO, helping those new to the profession to achieve professional competence in the provision and management of orthotic care.

Tim Miller, Certified Orthotist, and his team wish to provide you with the high quality custom orthopaedic appliances and professional care that will make a difference to your health, mobility and quality of life.

Founded in Nanaimo, British Columbia in 1999, OrthotiCare Clinics Inc. operates a Main Clinic in Nanaimo, with an on-site custom orthotic fabrication lab and a highly skilled Orthotic Technician, and Satellite Clinics in Duncan, Courtenay, Port Alberni and Campbell River.

Please call the Nanaimo Main Clinic to schedule an appointment at any of our 5 Clinic Locations:
